Food Allergies

Aberdeen Performing Arts may use cereals (containing gluten), nuts, peanuts, sesame, shellfish, molluscs, fish, eggs, milk, soya, celery, mustard, lupin and sulphites within our recipes.

If you suffer from any of these allergens please ask a member of our catering team and they will be able to tell you if the named allergen is an **ingredient** within any of today's food offers.

We will always aim to reduce the risk of allergens accidentally entering our dishes but our food risk assessment shows some menu items could contain traces of the above or other allergens.
