**By car:** try the car parks at Frederick St, Marischall College and Gallowgate.

How much?

We’ve printed the whole price of ticket in the brochure, this includes the booking fee (the only extra you’ll have to pay for is postage, but why not print your own at home?) – there could well be discounts for students, children, over 60s or Friends of Aberdeen Performing Arts – just ask or check online.

Do I sit or stand?

A bit of both – we try and create the right atmosphere for each gig, some will have seats, some won’t – we’ve tried to list it where we can here.

What do the times mean?

If it says ‘doors’ then that’s when the doors open and you get inside for a drink. If it says ‘start’ that’s when the show starts. Some shows have support acts, we can’t always confirm this until nearer the time and ‘start’ can mean the start of the support act, not the main act.

How old do I have to be?

All ages are welcome, but under 16s must be accompanied by an adult, and under 18s can’t be near the bars.
